Re: Committee Status with State Board of Elections  
SEIU COPE

Dear Ms. Burger:

This letter is to inform you that the SEIU COPE has unresolved issues with the State Board of Elections, preventing the committee from being closed or considered an active committee pursuant to Article 22A of Chapter 163 of the North Carolina General Statutes. Please see the attached sheet for a summary of issues that need to be addressed before our office can close your committee or re-activate the committee.

In addition, the committee was sent a Notice of Termination of Active Status on 3/25/2009 pursuant to Chapter 1.0104(d) of Title 8 of the North Carolina Administrative Code. This status rendered your committee ineligible to receive or make contributions until the delinquent reports had been filed and any outstanding statutory penalties for late filing had been satisfied. Under N.C.G.S. § 163-278.27, it is the responsibility of this office to report violations of applicable provisions of Article 22A of Chapter 163 of the North Carolina General Statutes to the appropriate district attorney for potential prosecution.

In order to prevent referral to the appropriate district attorney, we ask that you address the outstanding issues your committee has with the State Board of Elections within thirty (30) days from the date of this letter. After the thirty (30) days has elapsed, we will notify the appropriate district attorney. A failure to address any outstanding issue noted on the summary of issues sheet will result in a referral to the district attorney.

If you need any assistance or have any questions regarding the status of your committee, please contact me at (919) 733-7173.

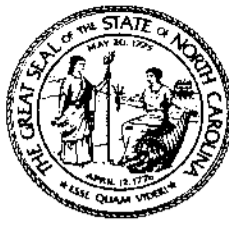

Sincerely,
